Because the risk factor associated with trading in the foreign exchange market is high, only genuine "risk" funds should be used in such trading. If Trader does not have the extra capital the Trader can afford to lose, Trader should not trade in the foreign exchange market. I understand that my Trading Agent may use an electronic trading system to generate trades, which exposes me to risks associated with the use of computers, and data feed systems relied on by SEVEN MARKETS. I agree to accept such risks, which may include, but are not limited to, failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors. No "safe" trading system has ever been devised, and no one can guarantee profits or freedom from loss. In fact no one can even guarantee to limit the extent of losses.

Even though the Trader granted trading authority to another, Trader should be diligent to closely scrutinize what transpires in the account. SEVEN MARKETS shall send Trader a confirmation of every trade made for the account, and a profit and loss statement showing the financial results of each transaction closed out for the account. In lieu of sending trade confirmation via postal mail, SEVEN MARKETS will provide Trader access to view his account at any time using the Internet with an online login. SEVEN MARKETS shall make statements available showing the ledger balance, the exact positions in the account, the net profit or loss in all contracts closed since the date of the last statement, and the net unrealized profit and loss in all open contracts figured to the market. Trader should carefully review these statements. If Trader has any questions, he will contact SEVEN MARKETS immediately.

The trading authorization over Trader's account terminates only upon written revocation by Trader or the Trading Agent holding the authorization. Therefore, if for any reason, Trader wishes to revoke the trading authorization, which Trader has given, please bear in mind that the Trader can only do so through written revocation.

This authorization and indemnity is a continuing one and shall remain in full force and effect until revoked by the undersigned by a written notice addressed to SEVEN MARKETS and delivered to SEVEN MARKETS at the office where the undersigned's account is carried, but such revocation shall not effect any liability in any way resulting from transactions initiated prior to such revocation. This authorization and indemnity shall inure to the benefit of SEVEN MARKETS and that of SEVEN MARKETS's agents, successors and assigns. This authorization and indemnity shall further inure to the benefit of Trading Agent and of any successor Trading Agent, irrespective of any change or changes at any time in the personnel thereof for any causes whatsoever, and of the assigns of Trading Agent or any successor Trading Agent.

The undersigned agrees that he/she understands and certifies that they have the financial resources to enter this Agreement and that all trading objectives have been explained. The undersigned acknowledges having received, read and understood the foregoing Limited Power-of-Attorney, Managed Account Authorization and Risk Disclosure.
